

Title: Curious about the world of trading? Join Optiver's session.

Optiver 

Industry talk: Trading and market making in real life

27 September, 2023, 6pm GMT+8, Virtual
[Sign up via the link above](#)

Hey there,

Are you a natural problem solver, with exceptional analytical and quantitative skills? Keen to accelerate your career in a rapidly growing industry?

[Optiver](#) is a global, tech-driven trading firm. With close to 2,000 employees in offices around the world, the firm is united in its commitment to improve global financial markets, making them more transparent and efficient for all participants.

Join **Dr. Adrian Dudek**, Optiver's Head of Academic Partnerships, on **27 September** in a virtual industry session to discover exclusive insights into the fascinating world of trading.

- Explore what a day in the life of a trader looks like
- Connect your learning in the classroom to real-world opportunities in the trading world
- Gain advice on how to break into the industry
- Discover Optiver's incredible culture and perks, learning and development opportunities, career prospects, and more.

No previous experience in trading or financial markets? You bring the passion and Optiver will provide you with the insights to kickstart your career.
